WCW Character Guide FAQ Version 1.4

Latest Revision: March 18, 2001

For NES, SNES, GB, N64, PC, and Playstation

Revision History

---Version 1.4---March 18, 2001

After a long overdue update (a year and 5 months actually), this FAQ is finally updated, which is most likely the last time it will unless I made a mistake in this update where I got the Backstage Assault character listings up. And it looks like WCW isn't gonna be around for much longer(it's last planned Nitro and Thunder tv shows on TNT & TBS is on March 26, then they're just down to house shows and the local syndicated Worldwide tv show).

---Version 1.3---October 6, 1999

Fixed the spelling errors of the wrestlers on Mayhem list.(Thanks to Jim Chamberlin at JJChamber4@aol.com) This'll probably be the last update to this FAQ until the next WCW game comes out(Mayhem 2001?) because I already got the character listings up for the Game Boy Color version of Mayhem as well.

---Version 1.2---September 26, 1999

Got lists of wrestlers for WCW Mayhem up for the N64, PSX, and Game Boy Color versions, please let me know if there are any mistakes

---Version 1.1---September 4, 1999

Added the WCW Main Event Character Listings For Game Boy(Thanks to fcw3@postoffice.ptd.net). I promise that Mayhem listings for N64 and PSX will be out in a couple of weeks. I got a couple of e-mails about the fake and hidden wrestlers in World Tour, vs. the World, and Revenge that they were really modeled after Japanese Wrestlers. I know that, but new gamers who are unaware of Japanese Gaming/Wrestling will read this FAQ and will E-mail me about me goofing up the wrestlers names. There are some other great FAQs that list who the fake wrestlers are in Japan.

Hey it's me again, Gruel. The only reason why I made this FAQ was because I was really bored, had a lot of spare time and thought some people would get a kick out of it. This FAQ exists for leisure purposes only. If anybody has played WCW: The Main Event for Game Boy will you please e-mail me the characters in the game to dkulas@hotmail.com. Thanks! Also if any of you notices any errors in any lists please e-mail me the mistakes.
