01. Name : STONE COLD STEVE AUSTIN  
Real Names : Steve Williams  
Height : 6'2"  
Weight : 252 pounds  
Date of birth : Dec. 18, 1964,  
From : Victoria, Texas  
Favorite Quote : "And that's the bottom line, 'cause Stone Cold said so!"  
Finishing Move : Stone Cold Stunner  
Career highlights : WWF Championship (4), Intercontinental (2), Tag Team (2),  
1996 King Of The Ring, 1998 Royal Rumble winner.  
Biography : Stone Cold Steve Austin. The mere mention of his name  
will bring any sold-out crowd to its feet in a crazed  
frenzy. Never before has the world of sports-entertain  
ment seen a phenomenon like the one that Stone Cold  
Steve Austin has created. At any live event you attend  
all you see is a sea of Austin 3:16. Why? 'Cause Stone  
Cold said so! When the Texas Rattlesnake entered the  
Mecca Arena in Milwaukee, for the 1996 King Of The Ring,

he never could have imagined that before the evening was through, he would change the entire face of the wrestling world. After beating the Bible - referencing Jake "The Snake" Roberts to become King Of The Ring, Austin accepted his crown, and upon doing so informed Roberts that "Austin 3:16 says I just whooped your ass!" With that simple phrase, Austin became the most popular superstar to ever compete in this sport. Some peers say Stone Cold Steve Austin is a suicide machine with lack of regard for authority and rules. But you can't deny this superstar is tougher than leather when he steps through the ring ropes.

02. Name : HBK SHAWN MICHAELS  
Real Names : Mike Hickenbottom  
Height : 6'1"  
Weight : 227 pounds  
From : San Antonio, Texas  
Finishing Moves : Sweet Chin Music  
Career Highlights : World Wrestling Federation Grand Slam Champion, 1995 and 1996 Royal Rumble winner  
Biography : Perhaps the most exciting & charismatic superstar ever to grace a WWF ring, Shawn Michaels, the founder of the controversial D-Generation X, is the self-proclaimed ICON of sports-entertainment. Michaels holds the distinction of being the only competitor in history to capture the "Grand Slam" of the Federation (holding the Federation Title, Intercontinental Title, European Title and Tag Team Title). Injuries have kept the Heartbreak Kid from competing in the ring since WrestleMania XIV. However, ever one to seek the spotlight, Michaels returned in November when he was named the new Commissioner of the World Wrestling Federation! Even though McMahon promised to appoint a "free thinking, independent" commissioner, Michaels' orders, at first, seemed to have coincided with the interests of The Corporation. When Michaels prevented The Corporation

from helping Shane McMahon while he was under attack, McMahon tried to fire HBK. When that didn't work, he ordered The Corporation to ambush him. That worked. Michaels suffered severe injuries. He underwent disk surgery and was soon back in the Federation fold. He still remains unchallenged as the Federations Commissioner, and he's out for revenge, making The Corporation's existence a miserable one. Michaels recently opened the Shawn Michaels Wrestling Academy with his mentor, Jose Lothario, in San Antonio.

03. Name : MANKIND  
Real Names : Michael Foley  
Height : 6'2"  
Weight : 297 pounds  
Finishing Move : Mandible Claw  
Favorite Quote : "Have a Nice Day!"  
Career Highlights : Federation Champion (3), Tag Team Champion (6)  
Biography : In the rich history of the WWF, no superstar has been more deranged than Mankind. He also apparently feels little if any pain, as evidenced in his Hell In A Cell match with the Undertaker at the 1998 King Of The Ring. Last January, Mankind's lifelong dream came true when he defeated The Rock to become Federation Championship. After losing the title in controversial fashion at the Royal Rumble, he regained it on Super Bowl Sunday. Mankind is one of the 3 faces of Long Island native Mick Foley, along with hardcore legend Cactus Jack and chick magnet Dude Love, that has been seen in the Federation. Whichever persona Foley competes under, his ability to battle through injury and entertain has earned him the respect and admiration of Federation fans.

04. Name : OWEN HART  
Real Names : Owen Hart  
Biography : As 1999 got underway, Owen was back in the tagteam ranks pairing up with fellow mat technician Jeff Jarrett and his companion/manager, Debra. Owen became the first super star to win the tag team championship with 3 different partners when he and Jarrett defeated Ken Shamrock & the Big Boss Man for the title on RAW the day after the '99 Royal Rumble. The duo held on to the championship until after WrestleMania XV, when they were defeated by X-Pac and Kane on RAW. When Jeff Jarrett found himself in a feud with Val Venis, Owen turned once again to a singles career. Owen's revival of the Blue Blazer character had potential. The retro 80's superhero gimmick was just plain funny. Owen's antics steadfastly refusing to admit that he was the Blazer, and his advice to the "little Blazers" to "say your prayers take your vitamins & drink your milk" - made more than a few fans laugh out loud. Owen Hart - whether it was in tag team or singles ranks, whether he was a "babyface" or a "heel" - gave his all night in and night out. Call him The Rocket, the King of Harts, the Slammy Award winner or the Blue Blazer. The fact that Owen Hart remained on the Federation roster for so long through thick and thin, is a testament to both his dedication to the company and his talent as an entertainer. Adored by his family, respected in the locker room, Owen Hart will be greatly missed.

05. Name : HUNTER HEARST HELMSLEY (HHH)  
Real Names : Jean Paul LeVesque  
Height : 6'4"  
Weight : 246 pounds  
From : Greenwich, Connecticut  
Finishing Move : Pedigree  
Career Highlights : Federation Champion (current), Intercontinental Champion (2), European Champion (2), 1997 King of the Ring  
Biography : Triple H's career took a dramatic upward swing when he enlisted the services of his female bodyguard, Chyna. The duo joined forces with Shawn Michaels to form D - Generation X and change the face of the World Wrestling Federation forever. After Shawn took time off for injuries, Triple H asserted himself as a premier superstar by taking over as leader of the faction. But one year later, Triple H went from one of the most popular superstars in the Federation to one of the most hated in a matter of seconds when he turned his back on DX and aligned himself with the ShaneMcMahon. Whether or not fans support Triple H, there's no denying that his career has really taken off since he left DX. Like a lead singer that leaves a band for a solo career, Triple H made a statement that he wasn't content merely to be a frontman. Triple H's actions since he went solo have not made him popular, but they have made him successful, culminating with him capturing the Federation Championship.

10. Name : KANE  
Real Names : Glenn Jacobs  
Height : 7'0"  
Weight : 326 lbs.  
Finishing Move : Tombstone Piledriver  
Career Highlights : Former World Wrestling Federation Champion, Tag Team Champion (4)  
Biography : No superstar in history has made more of an immediate impact than Kane. On October 5, 1997, the world met Kane as the seven-foot monster tore off the door to "Hell in the Cell" in order to get to his brother, the Undertaker. The siblings later fought in first-ever Inferno Match. Less than one year after he arrived, Kane became the World Wrestling Federation Champion by defeating Stone Cold Steve Austin at the 1998 King of the Ring. Though his reign was short-lived, the seven-foot monster proved he could live up to all expectations. Since then Kane has been a Tag Team Champion on three occasions. Whether he's teaming up with X-Pac or competing in singles competition, the Big Red Machine seems to feel no emotion—he only knows how to dish out punishment.

From : Minneapolis, Minnesota  
Favorite Quote : "Your ass is grass, and I'm gonna smoke it!"

Career Highlights : European Champion (2), Tag Team Champion (4)  
Biography : Don't blink. If you do during an X-Pac match, you might miss something spectacular. At just over 200 pounds, X-Pac is almost always giving up several pounds to his opponent. He makes up for that with lightning-fast quickness. You can only beat him if you can catch him. His two - time reign as European Champion proves that few superstars can. When X-Pac (formerly the 1-2-3 Kid) made his return to the Federation on March 30, 1998, no longer was he the fresh -faced, innocent-looking kid of years past. This rebel now sports a beard and dark glasses and is one of the sole surviving members of D - Generation X. He's loud, obnoxious, and not afraid to rip into someone at a moment's notice.

14. Name : TOO SEXY BRIAN CHRISTOPHER

Real Names : Brain Christopher Lawler  
 From : Memphis, Tennessee  
 Height : 5'10"  
 Weight : 213 pounds  
 Biography : Despite their size disadvantage, Light Heavyweight superstars "Too Sexy" Brian Christopher and "Too Hot" Scott Taylor possess a limitless supply of technical ability. Not only does the moniker of "Too Cool" describe their ability in the ring, but their egos as well. Simply put, when both men are in the same ring, their cocky antics can become somewhat nauseating. However, despite their annoying actions in the ring, the duo have a great chemistry. In a tag team capacity, Christopher and Taylor know that they will be behind each other no matter what.

15. Name : JERRY LAWLER  
 Real Names : Jerry Lawler  
 Height : 6'  
 Weight : 277 pounds  
 From : Memphis, Tennessee  
 Finishing Move : Piledriver  
 Biography : Jerry Lawler, the self-proclaimed "King" of professional wrestling, is a true legend of the sport. After a brief career as a disc jockey, the Memphis native began training in the squared circle under wrestling great Jackie Fargo. But, after the student beat his teacher years later, Lawler pronounced himself "the King". Lawler began his career in the 1970s in Memphis, and soon became one of the most hated grapplers in various southern territories. He was the Stone Cold of that time, defeating such stars as Ric Flair, Hulk Hogan and Terry Funk for numerous titles. His piledriver ended many a career, and officials once tried to get it banned because of its crippling effects. Today, Lawler is a household name not for his title wins, but for his notorious run-ins with late comedian Andy Kaufman in the

early 1980s. "The King" challenged his foe to a battle in Memphis, which Lawler won after planting Kaufman with his devastating piledriver. Later, the two would appear on the "Late Night with David Letterman," which resulted in another beating for the comedian. Lawler was once voted the second most recognizable person in his native Memphis, Tennessee, behind Elvis Presley. In the early 1990s, Lawler ventured to the World Wrestling Federation and went on to become part of the Federation broadcast team on RAW, although he still dons his ring attire from time to time!

18. Name : BILLY GUNN  
Real Names : Monty Sopp  
Height : 6'4"  
Weight : 268 pounds  
From : Austin, Texas  
Finishing move : Fame-Ass-Er  
Career highlights : 1999 King of the Ring, Hardcore Champion, Tag Team Champion (7) (current)  
Biography : He was a three-time Tag Team Champion as part of the Smokin' Gunns, but Billy Gunn achieved most of his success once he decided to become "Badd Ass." After the Gunns went their separate ways, Billy found a new attitude along with the Road Dogg Jesse James. As the New Age Outlaws, Road Dogg and Badd Ass captured the Tag Team Titles three times, making Gunn the only superstar in Federation history to be a six-time champion in the tag team division. One night after WrestleMania XIV, the Outlaws joined D-Generation X, the most powerful and influential factions in Federation history. Together, the Outlaws became perhaps the most popular and successful duo in Federation history. As great as Badd Ass is in the tag team ranks, many experts say this phenomenal athlete could be even better in singles competition. He began to live up to those high expectations when he nearly captured the

Intercontinental Championship on multiple occasions, and then secured the Hardcore Title just before Wrestle Mania XV. Now he's been reunited with the Road Dogg, and the Outlaws are on a roll again.

23. Name : JEFF JARRET  
Real Names : Jeffery Jarrett  
Height : 6'1"  
Weight : 230 pounds  
From : Nashville, Tennessee  
Favorite Quote : "Don't Piss Me Off!"  
Finishing move : Figure-Four Leglock  
Career Highlights : Intercontinental Champion(6) (current); Tag Team Champion (with Owen Hart); European Champion  
Biography : Sick and tired of all the gimmicks and showmanship, hot headed Nashville native Jeff Jarrett introduced the Federation to his new attitude! Wielding his guitar labeled "Don't Piss Me Off!" and a mindset with a motto much the same, Jarrett is looking to deliver his own brand of Southern justice to any superstar. With the Federation becoming a rougher, tougher place to compete every single day, Jarrett decided to dump the flashing lights, horseback entrances, and the pageantry. Jarrett has said goodbye to what he felt was holding him back and has instead let his passion and hot temper lead the way for him. With the combined power of Jarrett's mind and the distraction of the gorgeous and coy Debra, quite a few Federation superstars might just find their 'A-double-S' lying in hospital beds, courtesy of Jeff Jarrett.

32. Name : SGT. SLAUGHTER  
 Real Names : Robert Kemus  
 Favorite quote : "And that's an order!"  
 Career highlights : World Wrestling Federation Champion, Federation Commissioner  
 Biography : One of the all-time greats in the World Wrestling Federation, Sgt. Slaughter holds the distinct honor of being both a former Federation Champion and a one-time commissioner! The former sergeant from Parris Island South Carolina, remains active with the Federation as a backstage official. Sarge's career in the WWF began in the early 1980s, as he battled rivals such as the Iron Sheik. But his American patriotism quickly did an about-face, as the iron-chinned s uperstar became an Iraqi sympathizer during the Gulf War in 1991. After forming an alliance with General Adnan, Slaughter pulled off one of the greatest upsets in Federation history by pinning the Ultimate Warrior for the Federation Championship at the 1991 Royal Rumble! After dropping the title to Hulk Hogan at WrestleMania VII, Slaughter took several months off to rethink his philosophy. He returned waving the American flag once again, and formed a popular tag team with fellow patriot "Hacksaw" Jim Duggan in 1992. In mid-1997, Slaughter made his grand return on RAW as he was named Federation Commissioner! After a tumultuous reign the legend assumed a role as a backstage official late last year. He remains one of the greatest legends in Federation history!

36. Name : GANGREL  
Real Names : David Heath  
Height : 6'  
Weight : 240 pounds  
Finishing Move : Impaler  
Biography : Very little is known about the mysterious individual known as Gangrel. He appears to be a sort of modern-day gothic warrior, down to the ultra-sharp pair of fangs that protrude from his mouth. After he makes his way to ringside, he sips from a goblet that contains an ominous viscous fluid. After satiating his bizarre thirst, he then proceeds to destroy his opponents with a variety of devastating power maneuvers. Gangrel created by White Wolf, Inc.

37. Name : AL SNOW  
Real Names : Allan Sarven  
Height : 6'  
Weight : 234 pounds  
From : Lima, Ohio  
Favorite Quote : "What does everybody want?"  
Finishing Move : Snow Plow  
Career Highlights : Hardcore Champion (3) (current)  
Biography : In one of the strangest returns to the Federation in recent memory, Al Snow has reappeared on the scene. Distressed over treatment by Federation brass in the past, Snow claims he has been psychologically traumatized as a result of his former "gimmicks," which include Avatar and Leif Cassidy. This has all driven Snow to take directions from "Head," a disembodied mannequin he carries with him at all times. With the recent addition of the Hardcore Championship to the World Wrestling Federation, Al Snow has finally found his niche

in the ring. Now, the same actions that had Snow blackballed in the Federation are welcome. There is no telling how far Al Snow can propel his career within the ranks of the Hardcore division. Though Federation officials would like nothing better than to see Snow and Head leave once and for all, it appears as if this duo is dedicated to giving the fans "what everybody wants!"

For now, I only discover one sucker. I hope this list isn't growing so fast.

1. Today, I went to a game-shop, and guess what? I found that my Dino Crisis walkthrough has been published without my permission. That sucker only translate my walkthrough in Indonesian language and sell it for Rp. 12.500,-. That bastard translate it words by words. It's title is GAME GUIDE Volume :

9. And it has this statement on the back cover : "Anggota IKAPI 106/JBA/10-08-99". Some of my friends told me that it was made in Bandung by VEGA(the same store that sell it). The previous volume of that magazine is also ripping someone else's faq(especially from GameFAQs)and translate it into Indonesian. And I got some words for anyone that responsible for this :  
FUCK YOU, BASTARD. I SWEAR TO GOD THAT IF I KNOW WHO YOU ARE, I WILL TAKE CARE OF YOU. I'M NO KIDDING. I WILL MAKE YOU PAY FOR YOUR SINS. So if you happen to read my walkthrough prepare to be scared. I mean VERY SCARED (No, don't worry, I won't take your pitiful soul from your brainless body, I only make sure that you will suffer till the rest of your life).  
And for you, dear readers, if you know anything, anything about this asshole -person, please let me know about that. I will appreciate any infos about this animal. His address, telephone, faxes, or e-mail. I will greatly appreciate it.
