1.0 Introduction -----
=====

Well, I do not really know why I am doing a Paul Bearer character guide. After all, he is not really a wrestler. He is just a big fat guy. Also, he has never been one of my favorite characters to use in WWF Attitude, despite the fact of his size. I do not use him that much because his size limits his speed and agility. I prefer a high flyer like Matt or Jeff Hardy. Regardless, someone out there has to be using him, to you few, here you are, and enjoy my guide! Please address all comments to my email address listed above. Thanks, and enjoy my guide!

=====
1.1 Revision History -----
=====

version 1.1 (December 19, 2000): I have decided to update all my Attitude guides to my current format. I added new line art to the top, fixed all spelling and format errors, and updated the format so this guide looks 10 million times better!

version 1.0 (June 23, 2000): 1st version of the guide.

2.2 Biography -----
=====

(Biography from Prima Games)

Paul Bearer, the rotund manager of the Undertaker, first made his macabre presence felt in World Wrestling Federation in 1990. As the manager of the Undertaker, he was the guiding force behind the Man from the Dark Side when he captured his first World Wrestling Federation Championship in 1991 and has helped make the Ministry of Darkness the most demonic force in sports entertainment- 8 years later! In 1997, Bearer turned his back on the Phenom- and

attempted to destroy him with Mankind, and later, the Undertaker's own brother, Kane. In another bizarre twist in this macabre family tale, it was soon revealed

that the 'Big Red Machine' was the manager's son! However, their father/son relationship would quickly deteriorate, leading Bearer to abandon Kane for the Corporate Ministry!

Throughout his illustrious career with the Undertaker, Paul Bearer served as the perfect compliment to the Phenom.

Tall, muscular, silent, and mysterious, the Lord of Darkness has dominated much

of the Federation roster for the past few years. And usually in his corner was the short, overweight, boisterous Paul Bearer. Equipped with a voice that could shatter a windshield, Bearer never seemed to keep quiet. That would not have been so bad, but it also meant that we had to look at his rather large and disturbing face. But weird as they may be, there is no doubt that some of Bearer's facial expressions rank right up there with the best of them!

As the co-mastermind behind many of the Undertaker's vicious schemes, Bearer was in the forefront of the World Wrestling Federation for some time. But when the Undertaker was forced to step away for a short time, Bearer went with him.

But now the duo is back... and what a changed man Paul Bearer is! Of course his intentions are still pure evil, but he has shed a considerable amount of weight, so the nickname 'Fat Man' cannot be thrown his way again!

=====
2.3 My Two Cents -----
=====

Paul Bearer is a big fat guy who I hardly ever used in WWF Attitude. In TV, Paul Bearer has reformed with Kane. But he has never wrestled on TV, and one look at him and you can probably figure out why that is true! Currently, he is off television, and I hear that when he returns he will not side with either Kane or Undertaker. Only time will tell, however.
