2. Biography (from WWE.com)  
-----

Bradshaw

Height: 6' 6"

Weight: 290 pounds

From: Austin, Texas

Finishing move: Clothesline from Hell

Career Highlights: WWE Tag Team Champion (3), Hardcore Champion (current)

Bradshaw, the Tough Texan, makes it clear that he loves to brawl with anyone. The only things he loves more than brawling are drinking beer and smoking cigars. He, along with Faarooq, started the Acolyte Protection Agency with those in mind.

The agency provides protection to any Federation Superstar, as long as they have cash, and as long as they don't make any "suggestions" to the APA. Of course, they don't keep the money, they just buy more beer!

The scouting report on the Acolytes is simple: Don't make them mad. Faarooq and Bradshaw are two of the toughest S.O.B.s on the planet, and they love to kick a\$\$ just for fun! And don't ever interrupt the Acolytes when they're playing cards ... it may be a painful experience!
