Section IV

Closing/Whats next/where to post CAW Requests

this does it for my first version of this guide. Hopefully in the next version (soon) I will add more CAWS to add to this guide. If you ever have a CAW request, feel free to e-mail or request it in the CAW threads at WWW.Gamewinners.com. click on game help and WWF Smackdown 1, 2, and 3 will all be in one fourm at the bottom. As for adding more CAWS, I hope to add some current WWE Superstars, as well as some divas. Thanks to all of the people who made these CAWS, and Gamewinners.com for letting me join their fourms where I got most of these CAWS!!
