1.0 Introduction -----  
=====

Debra is one of my favorite wrestlers to use in the game WWF Smackdown, mainly because I prefer the wrestlers that have speed and agility. And Debra has the speed and agility I like. She even has a cool finishing move called the DDT. So, I used her a lot. Hope you find this FAQ useful, please send any questions to the address listed above. Thanks and enjoy the guide!

=====  
2.2 Biography -----  
=====

(bio from Prima Games)

Debra shocked the world when she showed up at the side of Jeff Jarrett on Raw. Her apperance is of a shrewd businesswoman and her attitude is no different. She believes she knows everything there is to know about every superstar in the Federation, and she is convinced Jarrett that, with her knowledge, he can become more successful than ever. She also knows how to use her sexuality to achieve her ends. She has proven this time and time again. She will flaunt her gorgeous body, even to the point of stripping, to get whatever she wants for herself and for Jarrett.

When the time comes to look back on Debra's career in the World Wrestling Federation, there is no doubt that we will point to Rock Bottom (the December 1998 Pay per View) as a monumental event. That was the night she figured out what was going to send her straight to the top, and fast. As Debra started to

pay up on a bet and take off her clothes, the sold-out arena crowd went ballistic.

During these intense moments, the thousands of males in attendance were on their feet and ready to obey Debra's every whim. And if the fans were hypnotized by her incomparable figure, why wouldn't the rest of the male-dominated World Wrestling Federation be?

Although Debra never completed the action that night, she learned a valuable lesson: showing off her body would get her exactly what she was after - everything.

The most ingenious part of Debra's master strategy was that she tried her hardest to never appear to be more than a body. You never heard her utter anything such as 'I want people to see past my looks and find out who I really am', or 'behind my exterior is a fascinating and intelligent woman.' She never uttered such statements.

The fact of the matter is that Debra is really, really hot and most guys would hand her the world and more even if she wore only oversized T-Shirts and sweat pants.

But aren't we all extremely lucky and happy that Debra does not want to take that chance?

=====  
2.3 My Two Cents -----  
=====

The king likes Puppies, it seems, and so does every superstar on the Federation roster. She's married to Stone Cold Steve Austin now so an appearance in the Federation is not likely, but not completely out of the question either. Only time will tell. She actually did show herself at Backlash, which oddly enough was also the Pay Per View where her fiancée returned. This leads me to believe that she will truly return to the World Wrestling Federation only when her husband does. Why do I say that? Because she has not been seen since Backlash. Oddly enough, neither has Stone Cold Steve Austin. Coincidence? I think not. I do hope that she returns soon, because she is a nice asset to the World Wrestling Federation. She is not the hottest woman ever, but she is right up there with the best. She is not that bad to use in the game WWF Wrestlemania 2000, either.
