I. INTRODUCTION AND REVISION HISTORY

The Acolytes have just recently teamed up, only a year or two old. But, they are one of the funniest, and great tag-teams there are. Sometimes its just fun for them to totally kill their opponents with all their power moves. I believe they were in the Job Squad, then later teamed up with the Undertaker to form the Ministry. After that ended, they became tag team champions a few times, and now have recently started the APA (Acolyte Protection Agency).

Other wrestlers hire the APA to protect them, so when someone tries to attack their client, the APA comes to the rescue, totally destroying anyone who messes around with their clients. Reasons why I did this FAQ are the Acolytes are my favorite tag-team (behind the dead Rock-n-Sock Connection though), and no one else has down a movelist for these bad boys.

FAAROOQ:

Weight: 270 pounds

BRADSHAW:

Height: 6'6"

Career highlights: Tag Team Champions (2)

The scouting report on the Acolytes is simple: Dont make them mad. Faarooq and Bradshaw are two of the toughest S.O.B.s on the planet, and they love to kick ass just for fun! And don't ever interrupt the Acolytes when they are playing cards ... it may be a painful experience!
