1.0 Introduction -----  
=====

Godfather is one of my favorite wrestlers to use in the game WWF Smackdown, mainly because I prefer the wrestlers that have speed and agility. And Godfather has the speed and agility I like. He even has a cool finishing move called the Pimp Drop Adding to the mystique is that he plays a character known as a pimp, so he brings some fine ho's down to the ring before the match. So, I used him a lot. Hope you find this FAQ useful, please send any questions to the address listed above. Thanks and enjoy the guide!

=====

=====  
2.2 Biography -----  
=====

(bio from Prima Games)

Although it isn't easy, he knows he ain't the only one up in this joint!

We're fairly certain that the Godfather isn't saying that there are business competitors of his out in the audience, but that he's confident that there are other people present who enjoy having a good time in the company of some fine lookin' hos!

The most amazing thing about the Godfather is that he's able to concentrate

during his matches. Knowing that there are a handful of hotties outside of the ring waiting to jump on him the minute the match ends, it's a wonder the Godfather doesn't look to finish all his matches in less time than it would take a 18-year old to.... Well, let's just say we're surprised he does not try to finish as fast as he can.

We do not know about you, but the Ho Train sounds like something we want to get hit with as much as possible. With the 330-pound Godfather as the conductor, however, it does not sound as much fun as it should be.

From the outside looking in, it appears that the Godfather is always having a good time, but it might be smart to stay out of his way if you can. After all, he can not relieve all his tensions with the hos!

Although it ain't easy, he knows he ain't the only one up in this joint! We are fairly certain that The Godfather isn't saying that there are business competitors of his out in the audience, but that he is confident that there are other people present who enjoy having a good time in the company of some fine looking 'hos!

The Godfather's ever-present ladies have helped him shoot up the Federation ladder with authority. They distract opponents, and the fringe benefits the ladies provide have surely helped their mack daddy recruit a number of talented allies - Val Venis, D'Lo Brown, and Dean Malenko most notably. Although the man from the Red Light District has yet to hold Tag Team gold with any of his fellow playas, few can imagine his drought will last long.

=====  
2.3 My Two Cents -----  
=====

Papa Shango. A weird voodoo guy that used to come to the ring with skulls attached to his outfit and stuff.

Kama Mustafa. A member of the Nation of Domination who shaved his head and was known for beating people senselessly.

Godfather. Pimpin aint easy. Take a ride on the ho train.

It's easy to say that Charles Wight has had a lot of gimmick changes over the years. I liked all of his previous gimmicks, but the Godfather gimmick is by far the best. His Papa Shango one was pretty cool also, and it would not be the end of the world if he indeed did go back to that cool gimmick. But for now, he will be content being the conductor of the ho train. I think this gimmick is starting to get a little old myself, but hey, if he likes it, then it is okay with me. He has had several tag team aprtneres recently, including Dlo Brown, Al Snow, and Dean Malenko. Yes, Dean Malenko. Because pimpin ain't easy, but it sure is fun!
