=====  
2.2 Biography -----  
=====

(bio from Prima Games)

It's hard to believe that Test is still a newcomer to the World Wrestling Federation. In the short time that Test has been with us, he's served as a prominent member of the Corporation and had the romance of the millenium with his almost-bride, Stephanie McMahon.

During the course of a few months, Test has had to overcome more obstacles than one can imagine in his bid for Stephanie's love. Shane McMahon, the Mean Street Posse, and the British Bulldog all stood in the young couple's way at one point during their courtship, but Test found a way to defeat them all. In doing so, the young Canadian impressed legions of Federation fans (especially the ladies) and officials as well.

Showing a tremendous amount of skill in the ring and natural talent as an entertainer outside of it, Test gave everyone associated with the WWF another reason to be excited about the future.

When Stephanie turned her back on him, it might have sent his world crashing down, but it certainly did not finish him off. The young Canadian with a tremendous amount of athletic ability and impressive physique has a very long future in the World Wrestling Federation!

A few months after breaking his nose in an attack by DX, Test returned and soon found him a new woman: Trish Stratus. Test has since teamed with Prince Albert to form a tag team T and A. Test's stock is only increasing in value.

=====  
Rumor Killers  
=====

-Pretty much anything you hear about Test on television is false, storyline only information.

-Test was never a bodyguard for Motley Crue

-Test and Stephanie McMahon never went out.

-Test is going out with Tori.

=====  
2.3 My Two Cents -----  
=====

Test is my favorite wrestler in the World Wrestling Federation. He became that while he was in the story line with Stephanie McMahon. Stephanie and Test have both gone heel, but Steph did it with HHH and Test did it with Trish Stratus and Prince Albert. This now leads to an interesting situation, as Test really hates Stephanie's guts after she betrayed him. Therefore, the WWF writers (geniuses that they are) now make Test into a whipped guy that follows Trish's commands. Man, Test was this close to being a superstar too!
