(intro from Prima's Official Strategy Guide)

Japan is known for its many exports. Perhaps one of its most successful is Funaki. This Japanese Superstar is small in size, but big in game. There isn't a move that Funaki doesn't know, which makes him dangerous in the ring.

Very often, Funaki can be found at the side of Taka Michinoku. As two of the only Japanese athletes currently competing in the WWF, Funaki and Taka have a common bond that keeps them tight. Also, their lack of English skills has kept them from branching out and befriending other WWF Superstars. That is, until recently.

Recently, Funaki and Taka can be found drinking beers and hanging out with the Acolytes. However, what Funaki and Taka don't know is that the Acolytes keep them around for comedic value. Oh well, what they don't know can't hurt them.
