Location:

Recommended Cards:

AMA: (average monster attack)

AMD: (average monster defense)

Strategy:

Villager 3

Location: Dueling Ground

Recommended Cards: Any dragon, Time Wizard

AMA: 800-2200

AMD: 300-2000

Strategy:

Villager 3 isn't as tough as you might think. He may have some strong fushion but still not a challenge. If you have Time Wizard and some dragon cards, simply fuse the two together to make Thousand Dragon (2400/1800). He will make some strong fushion like Pumpking the King of Ghosts (1800/2000) , Mystical Sand (2100/1700), and Ushi oni (2150/1950). That's all you got to be worry about.
