The Prologue
************
After Mad Gear gang was
destroyed, the citizens
of Metro City finally
thought their nightmare
was over.

But without
the Mad Gear to control
the underworld,
the street gangs fought
amongst themselves
for power over the city.

In the end,
the Skull Cross
gang reigned supreme.

Several months later,
the Mayor Mike Haggar
got a call from
an old friend....

Mike Haggar: Long time no see Guy.
             How did your training go?
```

```
Guy: Pretty well.
     I think I learned a few
     new moves.

Lucia: Excuse me, Mr. Mayor!
       I'm Detective Lucia
       of the Special Crimes Unit.
       The city is under attack!!

Mike Haggar: What?!

Lucia: We've got a huge riot
       that just broke out
       in the center of town!
       If we don't move quick,
       they're going to rip
       Metro City apart!

Mike Haggar: Guy, I'm gonna need your
             help!

Guy: You got it!

Dean: Wait a minute Mr. Mayor.
      I can lead you to them.

Lucia: Who the heck are you?!

Dean: Does it really matter?!
      All you need to know is
      that I know where they're
      headed.

Mike Haggar: I haven't got a choice so
             I'll trust you.
             But if you're leading me
             into a trap,
             I'm gonna grind you into
             the pavement.
             Let's hit the streets!!

Guy: I'm on my way!

Lucia: Yes, sir!

Dean: ...

Cut Scene 1
***********
Once the battle had been
won, it quickly became
clear that the riot was
simply a smoke screen.

The Skull Cross gang had
staged the riot to keep
the police busy as they
freed one of their
```

leaders from prison.

Dean: Sorry about before, there
      just wasn't time to
      explain.
      My name is Dean
      and I used to be just
      another fighter on
      the street fighter circuit.
      But when I refused to join
      the Skull Cross gang,
      those bastards slaughtered
      my family!
      Now I'm going to hunt down
      every last one of them
      down and make them pay!

****
Cut Scene 2
****
The trail of the Skull
Cross gang lead them
back to the city.

Inside one of the largest
building of Metro City,
the final fight is about
to begin!

****
The Ending
****
Guy: I guess that
     case is closed.

Lucia: But the city is
       in shambles...

Guy: Well, that's a job
     for Mayor Haggar.

Mike Haggar: Don't remind me, Guy.
             By the way,
             what do you have planned...
             Hey Dean!

Dean: My fight is over.
      But, I won't forget that
      I one you a favor.

Mike Haggar: Good luck, Dean!
             You'll always have a home
             in Metro city.'

Dean: ...Thanks.

Mike Haggar: So he's gone...

Lucia: He's ok.
       He just said goobbye to

```
                his past and
                it is going to take
                some time for him to learn
                how to live again.

        Guy: I guess that's right...

        Mike Haggar: Yeah, but I think
                     he'll make it...

                            END
