Infinite Black Magic   7E11C563  
-----

## About the game

-----  
The familiar Kitaro of the anime fights with hair needles and remote control clogs as weapons in a horizontal scroll action where you advance by helping the companions who were captured. You can fight also by using the companions that you have helped such as Nezumi Otoko and Konaki Jijii. With two person play simultaneously, the combine attack of Kitaro and companion is also possible.

## THE CONTROLS
