First of all, Harvest Moon for S.N.E.S or GB or N64 is a very addictive game, itIs about a boy

(Thats if you're playing HM for Snes or N64 in GB you can choose a girl) who goes to a Ranch and raises it (In GB your Grandfather chooses you as his sucessor, in Snes or N64 your parents sends you), you must grow and sell crops, milk Cows, make Chickens lay eggs and even get married (Except in GB).

Name: Harvest Moon.  
 Type: Simulator/RPG.  
 Creator: Natsume.

-----+  
----+

|Cow:                                   Your money makers you could say, if you have 12 mature cows,  
you|                                   could obtain 4200 G a day. They take a season and half to give  
|                                   birth in normal fashion.  
|  
|

|Chicken:                               They only give 50 G an egg so, you could say they are a waste.  
|                                   But thanks to them you could obtain 2 Power Berry.  
|  
|

|Birds, Fox, Squirrels:               You can't get them, they'll distract you.  
|  
|

|Dog:                                   Your pet, he'll fight Wild Dogs, you can't see that but it's  
|                                   useful if you leave your Livestock outside.  
|

|                                   the girl you're chasing (If one) and dance  
with |                                   any of those 5 girls, be sure to pick up  
|                                   Shipping Goods, feed Livestock and water  
Crops. |

|Harvest Festival: 12th of Fall:                                   You can dance too in here, but you'll have to  
|                                   bring something, try to find a Mole... If you  
|                                   can't find anything hurry for a Mushroom at  
the |                                   Mountain.  
|

|  
|  
|Egg Hunting Race: 20th of Fall:  
to |  
|  
again. |

You must obtain the same egg the Mayor shows  
win one point, if you lose reset and try  
The first time you win, you'll obtain a charm.

|  
|  
|  
|  
|  
|Thanksgiving Day: 10th of Winter:  
town, |

This is not really an event, if you go to  
nothing will be different except that the 5  
girls will be outside and, if they have 3 or +  
Hearts she'll give you a Cake.

|  
|  
|  
|  
|  
|  
|Star Night Festival: 24th of Winter:

You can go to 5 places in this event: The SPA,  
The Bar, The Mountain Top, The Church and the  
Central Park, talk to the girls before the  
event to find where they will be (Check Girls  
section) at the event.

| 3.-When you have a full grown Cow, try to sell it, with some luck, the Hawker will come  
| and try to exchange your Cow for a bean seed, DO IT. If you plant it in the Mountain  
| Top |  
| (Use it till it disappears from your inventory) and come back on Saturday or Sunday,  
| there will be a giant pillar of weed, climb it to find a Golden Chicken, tell the truth  
| to it, and it will give you a Golden Egg which you can sell for 10000 G!!!

|4.-Not a real trick but... In Fall, try to sell a Chicken, and with some luck the Hawker  
| will come and trade your CHicken for a Power Berry, DO IT.

|5.-Marry fast: Answer a question from one of the girls. Run into the nearest door. Do this  
| all day. By the next day she'll want to marry you!! (Contributed by Joshua Brown)

Thanks:

To: Aragaith- For the no.(1) way of planting crops. (Aragait@optonline.net)

To: Andrew R Morozin- For the Game-Genie codes. (LoudKing@aol.com)

To: Joshua Brown- For the PAR, Gold finger and 2nd Gamegenie codes  
(littlebro\_2001@hotmail.com)

To: Me- For making this... (see Bottom)

To: You- For reading this. (Who knows)

To: Natsume and Serious Fun- For making such a great and addictive game, and is none other than: "HARVEST MOON" for any console. (SNES, GB, N64, PSX)The ultimate frontier is PC & GameCube... For now...

Other things I have written include:

- 1.-Parasite Eve 2: Weapons, Armors, Items, PE... (Making Walkthrough)
- 2.-Odium: Enemies, Weapons...
- 3.-Monster Rancher 2: Monsters Attacks List. Project distroyed!
- 4.-Harvest Moon GB: Kinda the same as this one but for GB.

Finally, IIm going to have Harvest Moon for 64, and be sure that I will make a FAQ for it.

I may make these projects but I donIt know, some may be done and some wonIt be done:

- 1.-Age of Empires 1.
- 2.-Age of Empires 2.
- 3.-Roller Coaster Tycoon.
- 4.-Legend of Legaia.
- 5.-Magic Knight Rayearth.
- 6.-Terranigma. (I love this game!!)

You must agree these terms in order to read/put on a page this document:

- 1) You make no credit for this, this work is a result of many hours of gameplay and writting, so  
please do not steal.
- 2) You keep this document exactly as it is, you must NOT change anything, font, number, NOTHING!!
- 3) If you do wish to put this in your web page, you must contact me first saying so.
- 4) You may use some info of this document as long as I give you permission to do so, but only a  
small paragraph.
- 5) If you think or know someone stole from this, please contact me, as I said, this is the result, of someone's hard work and a lot of time, so please, don't steal.
- 6) If you feel I missed something in this or you have a suggestion, contact me, but I will not  
accept hate-mail, I will just probably ban your e-mail adress if you do so.
- 7) I will respond most questions concerning this game, as long as IT IS NOT detailed in here,

so please check first, if the question is detailed here, i will just probably erase the mail, if didn't respond it was probably because the question was already detailed here, if

you insist I will ban you, and don't try making another account and keep asking!!!!

Please, read them.
