1. Story

Koopas are stealing artifacts from many cities all over the world and selling them for money. With this money, Bowser is buying hair dryers to melt Antarctica and flood the planet. Mario and Luigi go to Bowser's castle, but Mario is kidnapped. Luigi must return the artifacts to their proper landmarks and find Mario.

2. Characters and Enemies

Luigi: Luigi is the main character. He must return the artifacts to their proper landmarks and find Mario.

Mario: Mario has been kidnapped by Bowser. (At least it's not Princess Peach this time.) Luigi must find him.

Yoshi: When Luigi finds out where in the world he is, he can use the Globulator to call Yoshi. Yoshi can scare away the Pokey at the exit pipe so Luigi can leave the cities.

Bowser: Bowser is trying to flood the planet by melting Antarctica with hair dryers. He also kidnapped Mario. Oh, no!

Koopas: In every city, there are Koopas, and three of them are carrying stolen artifacts. Get the artifacts from them by jumping on them.

3. Controls

Control pad left and right-move

Control pad up-go up a street, go through door

Control pad down-go down a street, go down a pipe

A-talk to person, choose something
