Infinity Gems.
There are six different
Infinity Gems. Each gem
controls one of the forces
of either time, space, power,
reality, mind, or soul.
It is said that the being
who obtains all of the gems
will become omnipotent --
Ruler of the universe.

"Someone has started to
gather these six gems.
If they can gather all of
the gems, the universe will
suffer in a new age of evil.
You must help!"
Adam Warlock asked Earth's
mightiest heroes.

Knowing that the fate of the
entire universe is at stake,
Earth's mightiest heroes
assemble to assist
Adam Warlock in preventing
the Infinity Gems from
falling into the wrong hands!

Opening

As the Infinity Gems fall to
the earth, the human race
begins to realize that it is
in grave danger. The heroes,
determined to assist
Adam Warlock, begin to search
for the gems that have been
scattered over the world.
Stark Enterprise's
super computer has pointed
out four locations where
the Infinity Gems may have
landed.

- 1 Near Dr. Doom's Castle in
Latveria.
- 2 The Amazon river basin in
the central region of
South America.
- 3 Alaska, in the northern
region of North America.
- 4 The Boston aquarium in the
eastern area of
North America.

Adam Warlock: Investigate these areas
immediately!

Boston Aquarium

Adam Warlock: An eastern
American
aquarium
where one of
the gems may
have landed.

Adam Warlock: It seems
the villains
have planted
some explosives
in the aquarium.
You have to find
the gem and esc-
ape immediately!
If you don't
you'll perish!

Hulk: Did you truly believe you
could beat me with muscle?
We could have talked...
use your brain!

Amazon

Adam Warlock: Ancient ruins,
located deep
in the jungles
of Brazil.

Spider-man: Ok, so where are we going
next?
I'm ready for anybody!

Alaska

Adam Warlock: The severely
cold Alaskan
mountains where
even the ground
is frozen.

Wolverine: Rookie! What'd I tell ya
bub? I'm the best there is
at what I do.

Dr. Doom's Castle

Adam Warlock: Castle Doom --
ruled by
the brilliant
and twisted
scientist known
as Dr. Doom.

After defeating Dr. Doom.

Dr. Doom: Curse you, I
can not believe
you have me
cornered...
Make no mistake,
we will meet
again!

Player: Stop!

Captain America: Freedom, liberty, equality!
I'll stop anyone who tries
to crush those beliefs!

The Magus's Spacecraft

After obtaining the second
gem, our heroes have learned
some valuable information.
The enemy's name is the Magus.
He is gathering the gems and
using a huge orbiting
battleship as his base.
The universe will never be
safe until the Magus is
defeated.
With that in mind, the heroes
decided to charge the
orbiting spacecraft.

Iron Man: Thank goodness! There is
almost no damage to my
running systems.
Now, let's move!

The Heroes have finally
defeated the Magus. However,
the Magus only had one of
the gems. At that moment,
a message appeared on
the computer screen.
"I am Thanos. Hear me heroes
of earth. Only I am
qualified to possess
the Infinity Gems.
Give me the gems or
you shall die!"
Realizing that Thanos is mad
with power, the Heroes
of earth decided to find
the remaining three gems.
The computer has pointed out
four new possible locations.

- 1 Egypt in the north of
African continent.
- 2 Asteroid belt.
- 3 An abandoned mining
complex in Arizona.
- 4 Mt. Vesuvius, Italy.

Arizona Mining Complex

Adam Warlock: An American
base invaded
and haunted
by the evil.

Adam Warlock: Be wary! That
area is filled
with poison gas!
Get out of there
as soon as
possible!

which rise from
the wind-swept

Captain America: Freedom, liberty, equality!

Asteroid Belt

Adam Warlock: A space
graveyard where
silence rules.

Dr. Doom: I have been
waiting for
you... those ma-
gnificent gems
do not become

you!
Only I am worthy
of their power...
In exchange for
them...
I shall give you
beautiful death!

Iron Man: Thank goodness! There is
almost no damage to my
running systems.
Now, let's move!

Thanos's Base Part 1

The heroes have collected
five of the Infinity Gems and
have now targeted Thanos's
base. As the heroes travel
into Thanos's Shrine,
a woman appears.

"I am Nebula. So you're
the ones who seek to
interfere with my master
Thanos? There is no reason
for Thanos to be troubled by
you. I shall deal with you!

Stage Clear

Spider-man: Ok, so where are we going
next?
I'm ready for anybody!

Thanos's Base Part 2

After defeating Nebula,
Thanos finally appears.
"So... You've defeated Nebula.
Impressive. You seem to be
determined to interfere
with me. I will destroy you
and obtain the gems and
become omnipotent.
Prepare to meet your death!"

Ending

Thanos has been defeated,
now the universe is safe.
As Warlock looks at the gems
he says,
"Thank you heroes. With
Thanos gone, the gems will be

safe in my hands. I'm sure
that the universe will
continue on its natural
course. I promise to you.
I'll use the gems to benefit
everyone.
Thank you, world heroes."

The heroes make their way
home back to earth,
where their family and
friends await.
Will the world ever truly
be safe?
