In the year 21XX,
all the Mavericks have been
neutralized thanks to the
efforts of a Replid scientist
named, "Dr.Doppler".

Using his Neuro Computer
he has been able to suppress
any abnormal behavior in the
replids and prevent them
from going berserk.

Many of the most advanced
replids have gathered near
their new mentor and

founded "Dopple Town",
a perfect Utopian community.

With Dr.Doppler guiding them,
the world seemed ready to
enter a new golden age...

After a few months...

The Mavericks who were
supposed to have been
neutralized by the Neuro
Computer suddenly appeared
and began to riot...

At Maverick Hunter
Headquarters, all the
intelligence indicated that
Dr.Doppler was the mastermind
behind the invasion.

Soon, the call went out to
X and Zero to destroy the
invading Mavericks and to
bring Dr.Doppler to justice.

Maverick Hunter X and Zero.
Dispatch!!

A few hours later, emergency
contact was made by the
headquarters of
Maverick Hunter.

"This is the headquarters of
Maverick Hunter.

We are under attack from
the Doppler force.

All units return to base
immediately and return fire."

Zero: X, I'll clear out
the enemies
out here.
You go ahead
and deal with
the ones inside.

Shortly after going inside.

Mega Man: Mac where have you
been?

Mac fires at X and hits him.

Mac: You're far
too trusting, X.
I'm now a member of
Doppler's Army!
You will make a fine
addition to our
forces once
you have been shown
the true destiny of
the Reploid race.

X is captured and then Zero drops through the ceiling.

After Zero defeats Mac and rescues X.

Zero: Are you ok, X?

Mega Man: Thanks Zero.
I'm ok.

Zero: I'll check around
headquarters again.
Be on your guard, X.

After defeating a large Maverick.

Zero: Looks like we've swept
most of the enemies
out of here.
I'll go back and
check on headquarters.
Call me if you need me.
See you later, X.

* Cut Scene after defeating two Mavericks *

Doppler: He is the Maverick
Hunter I failed to
catch last time.
I had no idea he is
so powerful...
Bit and Byte!
Bring that Maverick
Hunter to me...
alive if possible.

Bit.Byte: Affirmative,
Dr.Doppler!

MysteriousMaverick: Alive, Dr.Doppler?
You are so kind.

Doppler: Watch your mouth or
I'll put you back
where I found you.
Even with your
enhancements,
you are still
no match for me.

MysteriousMaverick: Thanks for the
upgrade Doctor, but
I have a score to
settle...
... and I'll do it
my way...

Doppler: Fine.
Just make sure
you do it.
I still
can't believe
that Maverick Hunter
defeated my master
twice in the past...

* First Encounter with Bit *

Bit: Welcome, X.
I'm Bit.
I have my orders.
You are
to be destroyed.

After defeating Bit.

Bit: It... It is not
possible for you to
contain so much
power...
The next time
we meet the result
shall be different!

* First Encounter with Byte *

Byte: Nice to meet you, X.
I am Byte.
I've been programmed
to exterminate you!

After defeating Byte.

Byte: I didn't expect
you had this
power...
I've lost this time
but...
I'll crush you
next time!!

* Vile's Area *

If Vile is found prior to defeating the 8 Mavericks.

Vile: Hee hee hee.

You're trapped X!

Mega Man: Vile!?! Zero and I
destroyed you
years ago!!

Vile: This factory is
set to blow in
a matter of minutes!
Until then,
I'll try and keep
you busy!

If Vile is destroyed.

Vile: Don't think that
this is the end, X!
I will haunt you
to the day
you die.....

* Cut Scene after defeating 8 Mavericks *

Mega Man: Any problems
Dr.Cain?

Dr.Cain: I pulled some
memory chips
from the Mavericks
controlled by
Dr.Doppler.
I analyzed them and
found out that.
Dr.Doppler is
trying to create
a powerful
new Battle Body
by collecting the
"special abilities"
from the
latest breed of
Reploids.

Mega Man: Battle Body...?

Dr.Doppler: First I thought
Dr.Doppler was
trying to create it
for himself.
But the information
indicates that
he will not
be able to interface
with it,
so it must be
for someone else.

Mega Man: Sigma!?

Zero: Can he still
be alive??

Dr.Cain: A hidden laboratory
has been pinpointed
at Point D.
All indications are
that
it is Dr.Doppler's
secret lab.
You need to
get there
immediately

Mega Man: On my way.....

Zero: It's time I put
an end to Sigma
for good!

* Dr. Doppler's Lab part 1 *

When you reach a "junk robot".

Zero: X, I've come
to help you!
I'll stop the
collapsing ceiling!!
You destroy that
junk robot!

After defeating the junk robot.

Zero: X, there is
an army of
powerful Mavericks
in Dr.Doppler's lab!
They've been
modified by
Dr.Doppler into
war machines.
Be careful!

Mega Man: I'll watch my step.
Thanks Zero.

Zero: I'm going to
scout around.
I'll catch up later.

When you reach Bit and Byte.

Bit: We've been
waiting for you X!

Byte: Dr.Doppler modified
us after our first
battle against you.

Bit & Byte: Take a look at
these new upgrades!!

Bit and Byte fuse.

* Dr. Doppler's Lab part 2 *

If a mini-boss is reached and it is defeated by Zero.

Mega Man: What was that
explosion?!
Zero?!
Are you ok?

Zero: Sorry X...
I failed...
It seems
my power generator is
damaged...
I'll try and make it
back to Dr.Cain's
lab for repairs.
You can't tell
what is waiting for
you, X.
You better
take my Beam Sabre
with you...
Crush them all, X.
You're our
last hope...

When the boss room is reached and Vile hasn't been
defeated already.

Vile: My waiting has
finally come to
an end!
Prepare to die at the
hands of the world's
most advanced riding
armor -
the new "Goliath"!

After defeating Vile.

Vile: Don't think that
this is the end, X!
I will haunt you
to the day
you die.....

* Dr. Doppler's Lab part 3 *

When you reach Dr. Doppler.

Doppler: I've been waiting
for you X.

I'm Dr.Doppler.
I've been watching
your battles
closely.
Your victories over
my men have been
most impressive.
I need superior
replods like
yourself, X!
I offer you the
chance to join us.
Together we shall
build a Utopia where
the Replods rule
under the watchful
eyes of Sigma,
our lord and master.

Mega Man: No way, Doc!
You're schemes end
here and now!!

Doppler: Perhaps you are not
as smart as I once
thought!
Prepare to be ripped
apart and to be born
again as part of
the new body of
Sigma!

After defeating Doppler.

Doppler: You are strong X...
Strong enough to
defeat Sigma...

Mega Man: Doppler,
can you talk?!

Doppler: Sigma's true form is
that of a computer
virus...
I was corrupted by
him and...
...I created
a horrific new body
for him...

Mega Man: Where's the body
now?

Doppler: It's in the
underground hangar
of this lab...
I don't think Sigma
has occupied it
yet...
Don't worry about

me...
Destroy the body
before it is too
late.
Time is running
out...

Mega Man: Thanks, Doc...

* Dr. Doppler's Lab part 4 (with Zero) *

After reaching a couple of ladders.

Zero: I'll go ahead
and destroy
the power generator.
X, you go upstairs
and destroy Sigma's
body.

After going upstairs.

Sigma: We meet again X...
It was easy to
corrupt that fool,
Doppler.
And I would have
succeeded if you
hadn't interfered.
But we are always
destined to meet,
aren't we X?
Let the eternal
struggle begin!!

After defeating Sigma.

Sigma: Well done X...
But I'm far stronger
than my previous
forms.
Behold the power of
the ultimate battle
body!!

After defeating Sigma again.

Sigma: N... No it can't be!
I can't even defeat
you with this
magnificent body..?!
There seems to be
only one choice
now...
I'll possess you!

After running from Sigma.

Mega Man: Damn!

It's a dead end...

Sigma: Ha ha ha. Give up X.
I'll possess your
body and rule the
whole world!!

Zero drops through the ceiling and slashes Sigma with his
Beam Sabre.

Sigma: Garrrrrrr!
You're... Zero...
It's you... again...

Zero: How do you like
that, Sigma?
I picked up a Anti-
Sigma virus program
from Doppler and
used it on my Beam
Sabre!!
Sorry about
the delay X.
I thought the
program might
be the only thing
that would work
against Sigma.

Sigma: My program... is...
disappearing...
But... someday...
I... will...

X and Zero warp out and the lab explodes.

* Dr. Doppler's Lab part 4 (without Zero) *

After reaching Sigma.

Sigma: We meet again X...
It was easy to
corrupt that fool,
Doppler.
And I would have
succeeded if you
hadn't interfered.
But we are always
destined to meet,
aren't we X?
Let the eternal
struggle begin!!

After defeating Sigma.

Sigma: Well done X...
But I'm far stronger
than my previous
forms.

Behold the power of
the ultimate battle
body!!

After defeating Sigma again.

Sigma: N... No it can't be!
I can't even defeat
you with this
magnificent body..?!
There seems to be
only one choice
now...
I'll possess you!

After running from Sigma.

Mega Man: Damn!
It's a dead end...

Sigma: Ha ha ha. Give up X.
I'll possess your
body and rule the
whole world!!

Doppler drops through the ceiling and jumps into Sigma.

Sigma: Aaarrrrgggg...
You're Doppler...

Doppler: How did you obtain
this...
How do you feel now,
Sigma?
Did you like my
special vaccine for
the Sigma virus?
X, I'm sorry to have
given you so much
trouble.
I know I can never
really atone for
what I have done...
But I will try to
set things right by
taking Sigma with me!!!

Sigma: My program... is...
fading...

Doppler: X... it's...
time to say...
goodbye...

X warps out and the lab explodes.

* Ending *

X has crushed Sigma's plan

once again.
But many questions
still occupy his mind.....

"Why must humans fight against
Reploids...?"

"And, why must Reploids fight
against each other..."

As X stares at the burning
remnants of Doppler's lab,
his body trembles from
an unknown sorrow.

"What does fate have in store
for me?" he wonders.

He can only hope that someday
Dr.Light's plan for him will
finally be revealed.

Unknown to X, his destiny has
already been decided.

To save mankind, he must
destroy Zero.

But only time will tell, when
and why.....
