2)Introduction
I made this guide is to help you to beat the game and i do not
responsible if some strange things happen if you use this guide.
Anyway,this guide is totally free.If you found any other codes,
please e-mail me or leave a message in GameFAQ's message board.
Please tell me too if you found some codes are not working correctly.
Please e-mail me if you see is FAQ on the other web site instead of
www.gamefaqs.com.If you want to know more about the items,
just download the item list.
------------------------------------------------------------------------
3)PAR Codes(Pro Action Replay Codes)

You must have ZSNESWIN emulator to get these codes work.
Don't ask me to send you the emulator.You should find it by
yourself .Enough talk lets begin.

7E1B6A99:current level 99.

7E1B8600:instantly level up.

7E1B6689:unlimited gem.
7E1B6799:unlimited gem.
7E1B6899:unlimited gem.

7E1B8A64:max life

7E1B88XX:life.
you must change the XX when you maximum HP is increase.
example:
when you have 17HP:the code will be:7E1B8811.
when you have 20HP:the code will be:7E1B8814.
WARNING:don't put max value to this code.It will crash
your game so ,please be very careful when you use this code.
I suggest you use max life code and this code together.So,
you don't need to change this code everytime when you level up.

7E1B82FF:Get all souls.

7E1B7063:maximum energy.
7E1B7463:maximum defense.

-----------------
