[ ]==Life Bottle 1==  
Requirements: Silver Sword

After you get the Silver Sword, break the rock that blocks the waterfall.  
In the room above, the pond will have drained with the chest in plain view.

[ ]==Life Bottle 2==  
Requirements: Shovel

After you get the shovel, enter the level and dig in the first place you see.

[ ]==500 Coins==  
Requirements: Shove Technique

As you progress through the level, when you come up from underground push the only rock in this room.

[ ]==1000 Coins==

Requirements: Elven Flute

After you open the way to the Light Spell, go down the rope to grab it.

[ ]==2000 Coins==

Requirements: Moon Stones on

In the room with the trampolines and hot spring, the chest is on the far left.

[ ]==Silver Sword==

Requirements: Light Stones on

Just jump across the platforms in the room with the Light Crystal.

[ ]==Daggers==

Requirements: none

When you see a switch on the side of one of the trees in the forest, activate it and follow the path of appearing branches it creates.

[ ]==Ice Sword==

Requirements: Sun Stones off

In the room above the trampolines and hot spring, simply walk over to it.

[ ]==Fireballs==

Requirements: Down Jab Technique

In the room with the trampolines and hot spring, break the blocks in the bottom right corner.

```

Treasures:

Life Bottles: 4

Magic Bottles: 1

Coins: 1000

Equipment: Fire Sword, Fire Armor, Fire Shield

Warps to: nowhere

Warps from: Boa-boa, Sala-sala

[ ]==Life Bottle 1==

Requirements: Sun Stones off

In the first room, the chest is in the top right corner.

[ ]==Life Bottle 2==

Requirements: Star Stones off

In the room with the ice chunks you can shove and the hot spring, the chest is in the bottom left corner, but beware the false floor in front of the star blocks!

[ ]==Life Bottle 3==

Requirements: Up Jab Technique

In the room with the ice chunks you can shove and the hot spring, the chest is in the top left corner.

[ ]==Life Bottle 4==

Requirements: Elven Flute

In the room you gain access to by using the Elven Flute, the chest is straight above where you enter, just climb the ropes up and to the left.

[ ]==Magic Bottle==

Requirements: Shovel

In the first room, dig in the only place you can here, and when the path splits, go up.

[ ]==1000 Coins==

Requirements: Star Stones on

In the top room, take the right exit and fall down the side of the level, landing on the star blocks. Enter this room and beware the false floor in front of the yetti!

[ ]==Fire Sword==

Requirements: none

In the first room, take the clouds up from the bottom right side and follow this path.

[ ]==Fire Armor==

Requirements: Fire Sword

In the room with the blocks of ice you can break, it is on the top ledge

[ ]==Fire Shield==

Requirements: Star Stones off

From the Star Switch, fall down hugging the right wall and you will land on a ledge. Jump to the left and it is waiting for you.
