In this FAQ I have typed up every piece of dialogue and story related text that
appears in Super Empire Strikes Back for the Super Nintendo Entertainment
System. The text is exactly as it appears in the game except it's not all
capitals.

STAR
WARS

Episode V
The Empire Strikes Back

It is a dark time for the
Rebellion. Although the Death
Star had been destroyed,
Imperial troops have driven the
Rebel forces from their hidden
base and pursued them across
the galaxy.

Evading the dreaded Imperial
Starfleet, a group of freedom
fighters led by Luke Skywalker
has established a new secret
base on the remote ice world

of Hoth.

The evil lord Darth Vader
obsessed with finding young
Skywalker, has dispatched
thousands of remote probes into
the far reaches of space...

* Cut Scene 1 *

Luke: Echo-3 to Echo-base. Come in
 There's a meteorite that hit
 the ground near here.
 I want to check it out.
 It won't take long.

* Cut Scene 2 *

Some guy: Echo station 3-T-A. We have
 spotted Imperial Walkers.
 We've got to hold them
 until all transports are
 away.
 There primary target will be
 the power generators.
 All available pilots to their
 snowspeeders.

* Cut Scene 3 *

Han Solo: Imperial troops have entered
 the base.
 Give the evacuation code
 signal... and get to your
 transports.
 I'll find the Princess and
 get her out on the Falcon.

* Cut Scene 4 *

Princess Leia: Han, this bucket of
 bolts is never going
 to get past that blockade.

Han Solo: This thing's got a few
 surprises left in her,
 sweetheart...

* Cut Scene 5 *

Meanwhile, in a different
part of the galaxy...

Luke: There's nothing wrong R2,
 just setting a new course.

We're not going to regroup
with the others...
We're going to the Dagobah
system.

Luke: Artoo!
Where are you?

* Cut Scene 6 *

Luke: Artoo! There you are. Are you
alright?
Next time you be more careful!
Now all we have to do is find
this Yoda.

* Cut Scene 7 *

Yoda: You wish to become a Jedi!
I have trained Jedi for eight
hundred years.
To become a Jedi takes the
deepest commitment, patience,
and the most serious mind.
A Jedi's strength flows from
the force. Feel it you must.
Life creates it and makes it
grow. Its energy surrounds us
and binds us.
You must feel the force
around you. Everywhere.
Do. Or do not.

* Cut Scene 8 *

Princess Leia: Han, I thought you knew
this Lando.

Han Solo: That was a long time ago,
I'm sure he's forgotten
by now...

* Cut Scene 9 *

Princess Leia: Han, something is wrong here.
No one has seen or knows
anything about C-3PO.
He's been gone too long.

Han Solo: He probably got lost, Leia.
Come on, Chewie. Let's go
find him.

* Cut Scene 10 *

Darth Vader: This carbon freezing facility
is crude, but it suits our
needs.

The test on Solo proves it.
He is still alive, encased in
carbonite and in perfect
hibernation.

Solo is all yours, Bounty
Hunter! You may take him to
Jabba the Hut.

Prepare the chamber for our
new arrival - Luke Skywalker.

* Cut Scene 11 *

Meanwhile, back on Dagobah...

Yoda: Luke, you must complete the
training. You must not go.

Only a fully trained Jedi
Knight, with the force as
his ally, will conquer
Vader and his Emperor.

If you choose the quick and
easy path - as Vader did -
you will become an agent of
evil. Be patient.

Don't give in to hate. That
leads to the Dark Side.

Strong is Vader. Mind what
you have learned...

Save you it can.

Luke races in his X-wing
to the Cloud City on Bespin
to rescue his friends.

* Cut Scene 12 *

Luke and R2-D2 arrive at
Cloud City, unaware of the
danger that awaits them...

Darth Vader: The force is with you young
Skywalker,
but you are not a Jedi yet.

* Ending *

Troubled by the uncertain
fate of Han Solo, the Rebels
narrowly escape the Imperial
forces on Bespin...

...and rejoin the Rebel

fleet.

Congratualtions

Young Jedi!

You have beaten the evil
Imperial Lord, Darth Vader,
Master of the Darkside.

You have escaped from the
clutches of the Empire with
your friends, Princess Leia,
Chewbacca, Lando Calrissian,
C-3PO, and R2-D2.

You have learned much about
the force, and it is strong
with you. Soon you will be a
true Jedi Knight. But first
you must complete your
training with Yoda, and
overcome your fears by facing
Vader again.

The Super NES sage and battle
against the Empire continues
in

Super Return of the Jedi,
where you must rescue your
friend Han Solo from the
slimy Jabba the Hut, and
confront Vader and the
Emperor himself!

Remember!

The force is with you!

Always!
