/-----\  
| SPECIAL POWERS GUIDE |  
\-----/
```

I have written all the special powers.

First is the team's name, after player's name and the special powers, Hp needed, and the possible team mate to perform it.

The types of the special powers are:

- |                                 |                           |
|---------------------------------|---------------------------|
| a) stop the ball                | (CATCH, only goalkeepers) |
| b) operate on the ball          | (TOBI, only goalkeepers)  |
| c) do a tackle                  | (TACKLE)                  |
| d) intercept the ball           | (CUT)                     |
| e) oppose                       | (SERI)                    |
| f) pass to an other player      | (PASS)                    |
| g) made a quick pass            | (COMBO)                   |
| h) shoot                        | (SHOOT)                   |
| i) shoot receiving an high ball | (H SHOOT)                 |
| l) shoot receiving an low ball  | (L SHOOT)                 |
| m) dribble an opponent          | (DRIBBLE)                 |
| n) pull away the ball           | (CLR)                     |
