\* Opening \*

\*\*\*\*\*

Previously...

As Ektor's flying machine  
slid across the bridge, Ektor  
jumped out just in time!

Only to land on the very  
edge of the museum bridge.

Aero moved towards him.  
With on last drill move,  
Ektor was knocked over the  
edge.

As Ektor fell, unbeknown to  
Aero, Zero flew past above  
him, intent on saving his  
master.

Suddenly a loud 'crash' was  
heard and the whole museum  
shook!

Was this finally the end of  
Edgar Ektor?

Aero thought so, but Zero  
reached Ektor just in time.

It was Ektor's flying  
machine that crashed against  
the floor!!!

Ektor: Zero, put plan 'B' into  
action, immediately!

Zero: Yes master, it is done.

Aero wandered back into  
Ektor's museum of horrors.

As he explored, he accidentally  
found a curtained entrance.

Aero was amazed at what he  
found.

Hovering before him was a  
magician's box!

Aero's curiosity overtook him  
and he jumped inside.

As he wondered what to do  
next, something  
strange happened...

...it began to shake and  
shudder!

Suddenly with Aero inside,  
it completely disappeared!!!

Aero's Adventures begin...

Batasha: Er, help me, please!  
          I have just escaped from fort  
          Red-Star.  
          The ruler of the fort,  
          Boris the beast made me his,  
          ummm...his slave.  
          Please save me from him.  
          I am sure a strong  
          good-looking Bat like you  
          could do it?

Aero: Strong...Good-looking.  
      Of course I can help you.

Batasha: You will?

\* Cut Scene 4 \*

\*\*\*\*\*

Rick the Rat: Where have ya been boy?  
You've missed practice for  
weeks!

Aero: Er, yeah, I'm sorry, boss!  
I am looking for a girl  
named Batasha.  
She's from eastern Europe.  
Have you seen her?

Rick the Rat: Girl, what girl?  
You should be practicing,  
not out chasing girls.  
How can I be your manager  
if you're never 'ere?  
Go and find ya group or you  
will never play in this town  
again!

\*\*\*\*\*

\* Cut Scene 5 \*

\*\*\*\*\*

Mick the Pick: Yo dude! What's up.  
Ya missed out on all the  
action!  
A cool babe came to watch us  
jam.  
While we were jammin' a  
weird looking doctor dude  
came with a bunch 'a robot  
droid things.

Aero: A doctor?  
What about the girl,  
Batasha?

Mick the Pick: Oh the babe, she left with  
the doctor dude.  
The dude's name is Dis.  
Yeah, that's right, Dr.Dis.  
He said that he is going to  
experiment on her as part of  
plan 'B'!  
Cool, or what?

Aero: Experiment on her?  
Oh no, I better find her.  
No time to practice!  
Cover for me.

\*\*\*\*\*

\* Cut Scene 6 \*

\*\*\*\*\*

Dr.Dis: Ah! Batasha said you would  
come.  
My name is Hanz Dis.  
Dr.Dis to you.

Aero: Franz, or whatever your  
name is, free Batasha right  
now or I will...

Dr.Dis: ...It's Hanz, you  
red imbecile!!!  
Batasha is not here.  
But you, my dear Aero, are  
just in time to witness my  
latest experiment!  
Contained within my genetic  
alteration device is Das  
piece of your wing that  
Batasha gave me.  
Ah, that's right, I am about  
to genetically engineer a  
formidable beast.  
I will name him Alter Aero.  
With das flick of a switch  
and a press of a button, the  
final process will begin.  
Achtung! Aero. Prepare to  
meet your most worthy  
opponent...  
Yourself!!!

\*\*\*\*\*  
\* Cut Scene 7 \*

Dr.Dis: Oh no, what have you  
done?  
My experiment is ruined!

Aero: No more games, Dr.Dis.  
Where's the girl?

Dr.Dis: The girl. She is the least  
of your worries.  
Plan 'B', however is  
something that you should  
worry about.  
Even as we speak, your  
circus friends, Dad flying  
pepperoni's have been  
imprisoned in the performer's  
dungeon.  
You may have won the  
battle, but you will never  
win the war.

\*\*\*\*\*  
\* Cut Scene 8 \*

Flappy: Mama mia,  
it's Aero the acrobatico!

Ace: You shouldn't have come to  
this place.  
If they catch you, you will

be taken prisoner like us.

Aero: Taken prisoner!  
I am here to help you.

Ace: Forget about us, Aero...

Shade: Er, Ace...

Ace: Silenzio, you big Italian  
meatball.  
Aero, you must stop  
plan 'B'!  
Performerero's from all around  
the world have been  
imprisoned, but why,  
I do not know.

Shade: Ace, I'm trying to tell  
you...

Ace: What is it now, Shade!

Shade: I know who is behind  
plan 'B'.

Flappy: Who is it Shade?  
Go on, tell us, tell us?

Shade: Now let me think...  
It's...  
It's the evil industriale!!!

Flappy: Edgar Ektor, I knew it,  
I knew it!

Aero: Edgar Ektor!!!  
But I knocked him off the  
top of his museum.  
It must have been Zero the  
kamikaze squirrel who  
rescued him!!!

Ace: It's Ektor alright.  
Only he would dare to  
imprison us, the errr...the  
three greatest acrobaticos  
in the world.  
But be careful, I heard that  
Zero is building a machine  
as part of a plan 'B'.  
Whatever Ektor is planning,  
he must be stopped, and you  
are the only one that can do  
it.  
We the flying pepperoni's  
will errr, will stay here and  
free the other performereros.  
Buona fortuna, Aero.  
Ciao.

Aero: You like to clown around  
Ektor, but this time the  
show is over.

Ektor: The show?

Oh no, the show has just  
begun.

My best spy, Batasha, was  
the opening act.

As part of plan 'B', I sent  
her to find you so that you  
would follow her every  
command.

Ha ha ha. Even Dr. Dis  
created Alter Aero to keep  
you busy!

While you were playing  
chase, my old pawn, Zero  
the kamikaze squirrel  
finally completed his  
greatest invention.

Take a look.

What do you think?

I call it the Ektor engine.

You may have foiled my first  
plot, plan 'A', to take over  
the world of amusement,  
but now it is time for the  
grand finale!

As my engine stops off at all  
the circuses, my men will  
take them over.

I Edgar Ektor, will control  
all the circuses within the  
whole world!!!

Plan 'B' is unstoppable!

Oh, I almost forgot.

What shall I do with you,  
my little winged friend?

I know, I will invite you to  
ride on my new machine.

All aboard for the ride of  
your life, or should I say,  
the last ride of your life!!!

\*\*\*\*\*

\* Ending \*

\*\*\*\*\*

Edgar Ektor the evil  
industrialist has been beaten  
and his engine, destroyed.

Aero freed all the imprisoned  
performers, and they  
returned to their homes, the  
circuses throughout the whole  
world.

Plan 'B' was a failure, but

Ektor has been creating a new plan that is fool-proof.

Ektor was last seen on an island somewhere off the coast of America.

Batasha was deported to Eastern Europe.

Once there, she set up her own alternative circus show.

Zero quickly returned to his homeland.

Warned by Ektor not to journey there, Zero has no choice.

Someone is destroying the forests where he was born and he will find out just who is behind it!

As the news spread all over the world, Aero became a star overnight.

People traveled across the globe to see the world famous...
