* Prologue *
```

```
*****
The darkness amplifies
the chill of the falling
snow.
A shrill scream pierces
the colds as we look upon
the Cobblepot household.
The parents, horrified by
their disfigured child's
appearance and behavior,
threw him and his
carriage into the Gotham
river.
The carriage floated
down the storm drain and
ended up in arctic world,
part of the old Gotham
zoo. There it was carried
off into the darkness by
huge emperor penguins...
```
