WARNINGS Read Before Using Your Sega Dreamcast Video Game System

CAUTION

Anyone who uses the Sega Dreamcast should read the operating manual for the software and console before operating them. A responsible adult should read these manuals together with any minors who will use the Sega Dreamcast before the minor uses it.

HEALTH AND EPILEPSY WARNING

Some small number of people are susceptible to epileptic seizures or loss of consciousness when exposed to certain flashing lights or light patterns that they encounter in everyday life, such as those in certain television images or video games. These seizures or loss of consciousness may occur even if the person has never had an epileptic seizure.

If you or anyone in your family has ever had symptoms related to epilepsy when exposed to flashing lights, consult your doctor prior to using Sega Dreamcast.

In all cases, parents should monitor the use of video games by their children. If any player experiences dizziness, blurred vision, eye or muscle twitches, loss of consciousness, disorientation, any involuntary movement or convulsion, IMMEDIATELY DISCONTINUE USE AND CONSULT YOUR DOCTOR BEFORE RESUMING PLAY.

To reduce the possibility of such symptoms, the operator must follow these safety precautions at all times when using Sega Dreamcast:

- Sit a minimum of 6.5 feet away from the television screen. This should be as far as the length of the controller cable.
- Do not play if you are tired or have not had much sleep.
- Make sure that the room in which you are playing has all the lights on and is well lit.
- Stop playing video games for at least ten to twenty minutes per hour. This will rest your eyes, neck, arms and fingers so that you can continue comfortably playing the game in the future.

OPERATING PRECAUTIONS

To prevent personal injury, property damage or malfunction:

- Before removing disc, be sure it has stopped spinning.
- The Sega Dreamcast GD-ROM disc is intended for use exclusively on the Sega Dreamcast video game system. Do not use this disc in anything other than a Sega Dreamcast console, especially not in a CD player.
- Do not allow fingerprints or dirt on either side of the disc.
- Avoid bending the disc. Do not touch, smudge or scratch its surface.
- Do not modify or enlarge the center hole of the disc or use a disc that is cracked, modified or repaired with adhesive tape.
- Do not write on or apply anything to either side of the disc.
- Store the disc in its original case and do not expose it to high temperature and humidity.
- Do not leave the disc in direct sunlight or near a radiator or other source of heat.
- Use lens cleaner and a soft dry cloth to clean disc, wiping gently from the center to the edge. Never use chemicals such as benzene and paint thinner to clean disc.

PROJECTION TELEVISION WARNING

Still pictures or images may cause permanent picture tube damage or mark the phosphor of the CRT. Avoid repeated or extended use of video games on large-screen projection televisions.

STARTING THE GAME

1. Insert your **SOUTH PARK RALLY** Sega Dreamcast™ Specific Disc into your Sega Dreamcast console.
 2. Plug your Sega Dreamcast Controller into Controller Port A.
- NOTE: SOUTH PARK RALLY is a 1-4 player game*. Before turning the Sega Dreamcast power ON, connect the controller or other peripheral equipment into the control ports of the Sega Dreamcast.**
3. Switch on the power to your Sega Dreamcast Unit.
 4. You will be prompted to select a VMU on which to save your progress in the game. Insert the VMU into Port A, Slot 1 of your Sega Dreamcast Controller. Each saved game requires 8 blocks of memory. If you do not have a VMU inserted or it does not have adequate blocks to save the game data, you will be alerted but may continue playing.

While saving a game file, never turn OFF the Sega Dreamcast power, remove the memory card or disconnect the controller.

To return to the title screen at any point during game play while using the Dreamcast Controller press and hold the **A, B, X, Y** and **START** BUTTONS. This will cause the Sega Dreamcast to soft-reset the software and display the title screen.

To return to the title screen at any point during game play while using the Race Controller, simultaneously press and hold the **A, B** and **START** BUTTONS. This will cause the Dreamcast to soft-reset the software and display the title screen.

CONTROL PORTS
Use these ports to connect the Sega Dreamcast Controller or other peripheral equipment. From left to right are **CONTROL PORT A, CONTROL PORT B, CONTROL PORT C, AND CONTROL PORT Q**. Use each port to connect controllers for players 1 to 4 respectively.

NOTE: CONTROL PORT can also be referred to as **PORT**

VISUAL MEMORY UNIT (VMU)

Never disconnect the VMU / VMs while performing a battle or exchanging data when connected to another VMU/VM. Also note that leaving two VMU / VMs connected for a long period of time will considerably shorten the life of the batteries.

Never touch the Analog Thumb Pad or Triggers L/R while turning the Sega Dreamcast power ON. Doing so may disrupt the controller initialization procedure and result in malfunction. Operation with incompatible controllers is not guaranteed.

When the Jump Pack / Vibration Pack is inserted into Expansion Socket 1 of the Sega Dreamcast Controller, the Jump Pack / Vibration Pack does not lock into place and may fall out during game play or otherwise inhibit game operation.

When using the Race Controller, never touch the steering wheel or left and right levers when turning the Sega Dreamcast power ON. Doing so may disrupt the initialization procedure and result in malfunction if readjustment is not properly carried out via the Options menu. If the handle or levers are accidentally moved while turning the power ON, immediately turn the power OFF and ON again making sure not to touch the Race Controller.

MINI CHAMPIONSHIP

Mini Championship is where you let your hair down and ride! Choose any unlocked character and race to the finish. Remember, this is a straight up racing mode where the only objective is to be first! All of the Rally tracks that you've unlocked in Championship are available to tear your friends a new asphalt!

ASS BATTLE

Each player starts with four asses floating around their cart. Use Action Items to shoot the ass off of your opponents. Be the last man standing with at least one ass and you're the winner!

ACTION ITEMS

You'll need some help to knock those obviously lacking in the appropriate holiday spirit out of the race. These Action Items may just do the trick!

The Action Items in **SOUTH PARK RALLY** are broken up into different groups. You can tell them apart by their box color. When you pick up a box of a certain color, you get a random gadget.

All Action Items are activated by pressing the **LEFT TRIGGER** except for the Terrance Turbo, Weight Gain 4000, Mr. Hankey, Pink-eye, Spooky-Vision and Caffeine which are activated instantly when collected.

YELLOW BOX ITEMS

MR. MACKY BALLOON HEAD GADGET

This item fires a psychedelic peace sign at the player. If it hits, the player's head expands and they float up above the earth!

BARF

Create a puddle of fun as you watch your opponents slow down to a crawl as they attempt to drive through your splat of sticky goo!

MR. HANKEY

Mr. Hankey will protect you from danger, whether from bad Action Items or items fired at you.

KITTY

Unleash the whirlwind of destruction that is Kitty! When you fire Kitty at your fellow racers, Kitty will home-in and blow them out of the way!

PURPLE BOX ITEMS

ANAL PROBE

The alien anal probe comes out of your driver's rear and fires a tracking laser that makes your opponents sing-a!

EXPLOSIVE DIARRHEA

Explosive diarrhea has the smallest range of all the mines, but the most punch!

WEIGHT GAIN 4000

This pickup drastically increases your mass, allowing you to ram through opponents with impunity. Beefcake!

RED BOX ITEMS

CHOCOLATE SALTY BALLS

Are your opponents starting to look like they could use a pick-me-up? Well, let them suck on some Chocolate Salty Balls while you whiz to victory!

RATS

Hitting rats makes the road extremely slippery with a wet, sloppy trail of blood. Dangerous, yes. Funny...yes!

TERRANCE TURBO

Fires immediately on pickup. Just like eating beans!

HERPES

This lovely pick-up will win your opponents a date with Frida the hooker (whether they want it or not!). Unfortunately for them, she'll leave them with a fond remembrance of their time together - herpes! Just like in life, herpes is with you to the end and multiple trips with Frida will open multiple red dots.

GREEN BOX ITEMS

CHEESY POOFS
Cheesy Poofs are a bouncing, scattering set of projectiles that explode into a cloud of cheese dust when they strike!

MEXICAN STARING FROG

SPARKY THE DOG

When released, Sparky will chase the nearest car, grab on and stop the car cold with animal passion.

ASSORTED ITEMS

SPOOKY-VISION

Spooky-Vision can appear in any box at any time, so beware! Spooky-Vision will bring up a vision of a scary face to block your view and prevent you from seeing the road!

PINKEYE

Pinkeye is the rarest and most powerful of the pick-ups. It turns around all players (except the one who picks it up), reverses their steering, makes their eyes pink and puffy and reduces their reaction time.
