

WARNING: READ BEFORE USING YOUR PLAYSTATION™ GAME CONSOLE.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PLAYSTATION™ DISC:

This compact disc is intended for use only with the PlayStation game console.

Do not bend it, crush it or submerge it in liquids.

Do not leave it in direct sunlight or near a radiator or other source of heat.

Be sure to take an occasional rest break during extended play.

Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use.

Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

GUARD SYSTEM

Use the Guard function by pressing Direction Buttons LEFT (assuming your character is facing right) or DOWN. It is also possible to guard while in the air after jumping.

High Guard : ← or Neutral (where the Auto-Guard is activated)

Low Guard : ↓ or ↙

In-Air Guard : ← or Neutral position while in the air (It is not possible to use this technique after doing a safe fall.)

Guard Escape - This function is used while Guarding. Immediately after using the Guard function, press UP on the Direction Buttons to make your character quickly sidestep the opponent.

Safe-Falling = ⊗ + ⊕ Buttons

Avoid taking further damage by using the safe-fall function when you are thrown in the air.

BEAST SYSTEM

Both players have a set amount of energy - used to change into a Beast - at the beginning of each stage. Player(s) may morph anytime after the letter "B" shows up in the Beast Indicator.

CHANGES IN THE BEAST INDICATOR

The indicator appears blue when storing the energy needed for morphing. When it is fully charged, the word BEAST appears, and the character may change into a Beast by pressing the **START** button.

While in Beast Mode, the indicator is yellow. The yellow area decreases according to damage suffered by the Beast. It does not recharge during that round. When the yellow indicator reaches zero, the Beast Mode is not negated until the Beast is hit with an effective technique.

FIGHTING IN BEAST MODE

Characters experience the following power-ups when fighting in Beast Mode:

- The number of moves available by using the **START** button increases.
- Flotation amount changes.
- Characters become heavier.
- Life energy recovers - characters can recover up to 3% of damage when in Beast Mode. However, your life energy does not recover when you are guarding or taking damage.
- Jumping ability increases - This enables in-air attacks and moves. You may also use the walls as part of an attack.

COMMANDS IN PAUSE MODE

ARCADE, VS, SURVIVAL, TIME ATTACK MODES

If you select **KEY CONFIG** while the game is paused during any of these modes, you can change the setting of the buttons in the middle of the round.

WATCH

Selecting **CHARACTER CHANGE** changes the fighting characters in this mode.

PRACTICE

- (**COM. ACTION**) Chooses movements in the computer mode.
- (**KEYDISPLAY**) Shows which buttons were inputted.
- (**ACTION DATA**) Displays action data.
- (**BEAST MODE**) Switches the Beast mode ON and OFF.
- (**BEAST RAVE**) Switches the RAVE mode ON and OFF.
- (**KEY CONFIG**) Sets the controller button functions.
- (**CHARACTER CHANGE**) Selects another character.
- (**RESET**) Resets and goes back to the title screen.

CONTINUE THE GAME

When the bout is over, the word **CONTINUE** appears on screen. You can continue the game by pressing the **Start** button before the indicator reaches zero. After pressing the button, a screen appears for choosing the characters. When **CHARACTER CHANGE** is ON, you can choose a different character for the new round. If the **CONTINUE** indicator reaches zero, the game is over.

GADO

GADO

Age: 43

Sex: Male

Nationality: Israeli

Gado is a professional mercenary and military genius. His life was once filled with glory and the blood of his foes. But everything changed when he took part in a mission with his best friend, Yui, some years ago. His union of armies was crushed by a combined force of super-intelligent zombies and a hostile army that appeared out of nowhere, armed to the teeth. Gado, who was seriously injured and lost sight in one eye, has thrown himself into battle in search of his missing friend, Yui, and to discover the identity of the enemy, the one who struggles against the lurking evil from the backdrop of his existence.

BAKURYU

Age: Unknown (around 60)

Sex: Male

Nationality: Japanese

A self-styled master of the traditional *ninjū* arts, his personal details – from real name to nationality to age – are veiled in secrecy. He has made everything about his existence a complete mystery. He is expert in assassination, approaching with silent steps and killing in an

instant. He is, therefore, a kind of the present age who strikes terror in the hearts of many. Furthermore, since he has existed in the infamous underworld Organization, his skills in the lethal arts have progressed beyond those of a mere human. It is said that you may as well make immediate funeral preparations when your name turns up on his hit list. As an Organization agent now, he is in charge of sabotage and the abduction of zoanthropes for experiments.

MITSUKO

Age: 30

Sex: Female

Nationality: Japanese

Mitsuko suffered the tragedy of becoming entangled in some sort of conspiracy. As an everyday housewife — that's what she considers herself notwithstanding her massive body and generous nature — she led a quiet life. But this harmony was shattered when her lovely daughter disappeared. She and her daughter are of zombiethrope stock. After her daughter was abducted, she went on a quest to find her. The only clue being the kidnapper's steely eyes and insidious sardonic grin.

ALICE

Age : 17
Sex : Female

Nationality : Japanese

Alice grew up deprived of happiness, due to her childhood kidnapping by a secret research institution that compares to use bioinformatics as weapons. After awakening to her latent powers through being subjected to physical experimentation, she was used as a test subject

and given battle training. However, she managed to escape from the institution just before a brainwashing that would have left her as a combat automaton; instead, she succeeded in getting the freedom she had long sought. At first, all she could do was hide herself from her pursuers. As she recovered her composure, she began to worry about a girl who had been sharing the hard lot of the institution and who loves Alice her sister. Because the girl sacrificed herself by distracting Alice's pursuers during the escape, the girl failed to get away. To save this girl from the enemy, Alice decided to come out of hiding, fight her pursuers and foil the scheme to develop armed zoanthropes.

GREG

Age: 35

Sex: Male

Nationality: American

Greg is a man of great ambition who travels the world to realize his dreams. In his youth, he fulfilled his hope of running a big show at a circus. A great talent for handling animals gave his fellows confidence in his enthusiasm for circus life. Some time later, he took charge of

the circus after the manager retired. But with the rapid changes in the entertainment industry, it became harder to keep drawing audiences. The circus went bankrupt, and its members started ways.

HANS TAUBEMANN

Age - 23

Sex - Male

Nationality - English

Fox's mind is warped and his esthetic sense heightened to the extreme. He is obsessed with beauty and despises ugly things, boasting of his good looks and publicly declaring of his ugly, abandoned by his parents as a child and raised in the slums, a nastiness was below

him in his solitary existence. Thus, in his teens, he grew into a well-known scoundrel. He earned the name of Fox from his wariness, despite his youth, and cruelty in bedding up even the very weakest. He works for the Organization in the same unit as Ikkaku. He has made use of the powers awakened by the research Organization and engaged in obnoxious activities, such as kidnapping and murder.
